

Mayor called session to order. Present were Mayor Denny White, Aldermen Frank Herron, Barbara Welch, Roger Bone and Lisa Daugherty. Also present were City Attorney Mike Talley, David Weaver and 11 visitors.

Employee Handbook: Insurance provider had supplied sample handbook previously, but was no longer offering service. David had Crowder College instructor review sample several years ago, but no action was ever taken.

City Attorney handed out possible policies to include. Dark blue policies were strongly recommended, light blue recommended to white discretionary policies. February 2012, City had adopted by resolution Temporary Employee Policies and Standards for WIB Workforce Investment Bureau employees City used for tornado cleanup.

City Clerk will check with current insurance carrier to see what company offers.

Police Commissioner: Lisa Daugherty had discussed earlier need for definition of duties. City Attorney pointed out position had been created before there was an Assistant to Mayor position. Police Commissioner position was not and could not be used to circumvent chain of command and ultimate responsibility for Police Department issues was Mayor's responsibility.

Mayor adjourned meeting at 7:00 PM.
